BALLOT 2018-2019 CLUB BOARD OF DIRECTORS

The following are recommended by the current Board and have agreed to serve for the fiscal year beginning July 1, 2018 to June 30th, 2019. Please mark ballots for these or write-in candidates. All DUES PAID club members may vote once for up to seven people:

Bill Attmore

Raleigh Rugby Viper for 12 years, Captain of Vipers for 4 years, Co-Captain of the 2007 National Title team. Wrestling Captain 2 years at UNC Pembroke. Married Venom Alumni. Project Manager at Kobalt Construction. Current Chairman of the Board. "We have worked hard to replace the structure and organization over the past two years that was lost. This is the year we train the next generation to run the club and put the club in a position to succeed for years to come."

Karl Berwyn

Started playing rugby in 2012 for LA Rugby Club. Played in France for Aix-Marseille Université Fac de Lettres Rugby Club. Current Viper since August 2015. Quality Control Metrology & Automation Systems Specialist at Purdue Pharmaceuticals. I am a consistent presence at Raleigh rugby events, devoting my spare time to helping with concessions at youth events, lining the pitches for senior matches, assisting with field clean-up activities, and have spent the last year serving as the Vipers D2 Match Secretary. In my last year as a member of the BoD, I have been directly involved with the planning, organization, and successful execution of several fundraising and recruiting events such as Christmas Tree/ Wreath sales & distribution, our monumentally successful Military Appreciation Tournament, registration of a Men's D3 side in the Carolinas Geographic Rugby Union, and the Viper's first annual BBQ fundraiser which raised approx. \$2400 for the club during a 1 day proof of concept sales drive. I additionally helped to lead the drive for Raleigh Rugby representation at the annual St Baldrick's fundraiser event, helping to raise +\$1500 for childhood cancer research.

David Bleuer

I have been playing rugby since 2003 and with RRFCC since 2016, I have always worked behind the scenes to help in any way possible, especially by leveraging my professional ties to World Rugby Shop to benefit the club. I have maintained my personal relationship with the entire rugby team there, including the head of sales for multi-sport. More importantly, I understand how their business works, what margins they are operating on and where they are likely going to be willing to bend a little bit more than they will let on. Now that we are officially partnered with WRS, I believe that I can be very helpful as a member of the board. RALEIGH WIN!

Alexis Bucholtz

Raleigh Venom player for 9 years and a current board member. Finance Operations Analyst at Entera Health. Transitioned club financial system to cloud-based system for better accessibility and seamless transition for board turnovers. Created a dues process to ensure transparency in membership dues and obligations. Submitted Solicitors license to maintain "Charitable Organization" eligibility. Created 2018-2019 Budget. Created financial turnover documents to create a more seamless turnover for future board members. Transitioned majority of monthly financial process to board to reduce bookkeeping costs and allow the club to be more independent. Close books at the end of each month and provide a P&L to allow for more transparency to members.

Leston Cochran

Active Vipers member since Spring 2017, member of Auburn Rugby Club 2007-2010, practiced with Birmingham Vulcans(2013-14) and Columbia Olde Grey(2014) when schedule permitted. Currently I am the U.S Operations Manager at SupplyPoint in Cary, NC and i am pursuing my MBA at ECU part time. I have a strong knack for organization and fixing things and a general love for people. In 2017 I volunteered time and ran parking at moonshine 7's. In the spring of 2018 I sold 15 BBQ plates for fundraising and only ate two. This summer I will play in and support our various 7's teams and the Moonshine 7's Event. My goals are to be involved in the RRFC community beyond being a player with an interest in growth of the teams, advertising/support dollars for the club, and advancing community involvement.To utilize my career skills and serve a non profit. Joining the board would give me the opportunity to give back to the community and help position RRFC for the future.

Lisa Jackson

Venom player since 2014. Co-Social chair for Venom for 2.5 years. Organized social events for Vipers, Venom and opposing teams including Pub Crawls. Helping bridge the gap between the men and women's teams. Organized (2)Gold Cups where we raised \$4k. Helped solidify two of our biggest sponsors including rekindled relationship with Hibernian, the re-decorated Raleigh Rugby room "aka snake pit," and Bison Bar where we receive free kegs for every home game (\$65/keg value). Personally raised over \$7000 in cash donations for Venom expenses and counting. Helped with receiving donations from cash to prizes for club wide events including (2) Moonshine, (2) Winter and End of Season Parties and (2) Poker Tournaments. Co-director of Moonshine 2018. 2017-2018 Board of Directors. 2017-2018 Venom Chairwoman and Sponsor and Vendor officer. "The go to, go getter."

Mark Jensen

Active player for the Vipers starting in 2000. Current Old Boy. Often runs concessions. Current Board Member. Sponsor of RRFC, Owner of Corrective Chiropractic since 2006.
